

GLAMOUR'S INSIDER GUIDE TO...

A STYLISH NIGHT OUT TO REMEMBER WITH COINTREAU

**The key to Parisian party style?** Go simple, elegant, paired down, but chic! Dress up a simple, sexy outfit with a signature piece, such as a glitter pump or studded boot. Attention is always in the detail!

**Wine and dine before dinnning** – a sophisticated way to start the night. Start with drinks at kooky cocktail bar ninetyeight in Shorefitch, then head for dinner at Galvin Bistrot de Luxe, Le Garrick or Les Trois Garçons, which ooze French flavour, decadence and charm in the heart of London. For a skinny and refreshing cocktail alternative, ask the barman for a Cointreau Lime & Soda, and twist it with a slice of cucumber.

**After dark** – the spirit of the Moulin Rouge is alive and kicking in London, so why don't you and the girls sample one of the ever-popular burlesque shows, enjoying the fine art of cabaret. Alternatively, explore London's diverse nightlife, from trend-setting Shorefitch to the sophistication of West London and everywhere inbetween!
